INDEPENDENT AUDITOR'S REPORT

To the Trustees of Yukon Fish and Wildlife Enhancement Trust

Opinion

We have audited the financial statements of Yukon Fish and Wildlife Enhancement Trust, which comprise the statement of financial position as at March 31, 2022, and the statements of operations, changes in trust equity and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with ASNPO.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

Without modifying our opinion, we draw attention to note 6 to the financial statements, concerning the worldwide spread of a novel coronavirus known as COVID-19 and its effect on the global economy. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the trust or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

INDEPENDENT AUDITOR'S REPORT, continued

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

YUKON FISH AND WILDLIFE ENHANCEMENT TRUST
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2022

1. Nature of operations

Yukon Fish and Wildlife Enhancement Trust was established in February 1995 under the provisions of the Umbrella Final Agreement between the Council of Yukon First Nations, Government of Canada, and Government of the Yukon. Their objective is to restore, enhance, and protect the Yukon fish and wildlife populations and their habitat. The organization is a registered Canadian charity for taxation purposes.

2. Significant accounting policies

The trust follows accounting principles generally accepted in Canada in preparing its financial statements. The significant accounting policies used are as follows:

(a) Revenue recognition

Dividend Income is recognized when the right to receive payment is established.

Interest income is recognized on an accrual basis.

Realized trading gains or losses are recognized on the concluded sale of investments. It represents the difference between the amounts received through the sale of investments and their respective cost base. This year, the realized gains amounted to \$147,213 (2021: \$194,421).

Unrealized gains or losses are recognized in the Other item of Statement of Operations. It represents the difference between the cost as of March 31, 2022 and the fair market value. This year, the unrealized gains amounted to \$116,542 (2021: \$530,354).

Donations are recognized as revenue when received.

(b) Contributed services

Volunteers contribute many hours per year to assist the Trust in carrying out its activities. Because of the difficulty in quantifying the fair value of contributed services, such are not reported nor recognized in the financial statements.

(c) Investments

Investments are initially recorded at fair value at the date of acquisition and subsequently measured at fair value based on quoted market prices.

(d) Capital assets

The Trust expenses its capital assets. Capital expenditures incurred during the year amounted to \$0 (2021: Nil).

YUKON FISH AND WILDLIFE ENHANCEMENT TRUST
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2022

2. Significant accounting policies, continued

(e) Use of estimates

The preparation of financial statements in conformity with ASNFPO requires management to make estimates and assumptions relating to reported amounts of assets and liabilities at the financial statement date, disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses for the fiscal year covered. Actual results may differ from those reported.

3. Financial instruments

The Trust's activities are exposed to a variety of financial risks: currency risk, market risk, credit risk and interest rate and liquidity risk. The Trust is also exposed to operational risks such as custody risk. Custody risk is the risk of loss of securities held in custody occasioned by the insolvency or negligence of the custodian. Although an appropriate legal framework is in place that eliminates the risk of loss of value of the securities held by the custodian, in the events of its failure, the ability of the Trust to transfer securities might be temporarily impaired.

(a) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The trust is exposed to foreign exchange risk in United States dollars and other currencies as it holds US equities and international equities.

(b) Market risk

The Trust is exposed to market risk as the investments in publicly traded securities are subject to fluctuations due to price changes on the market. The prices can also be affected by changes in interest rates and foreign currency exchange rates.

(c) Credit risk

Credit risks arise from cash, accounts receivable, goods and services tax recoverable and investments in debt securities. Cash are deposited with reputable, major financial institutions to limit the credit risk exposure. The credit risk from counter parties not paying accounts receivable and goods and services tax recoverable is not considered to be significant. The Trust maintains diversity in its portfolio investments to minimize exposure to credit risk. The Trust's target investment allocation over a 3 year period are as follows: fixed income - 40%, Canadian equities - 30% and foreign equities - 30%.

(d) Liquidity risk

Liquidity risk is the risk that the Trust cannot repay its obligations when they become due to its creditors. Liquidity risk exposure is dependent on the receipt of investment income to enable the Trust to pay its liabilities as they become due.

YUKON FISH AND WILDLIFE ENHANCEMENT TRUST
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2022

3. Financial instruments, continued

(e) Interest rate risk

The Trust is exposed to interest rate risk with respect to the following financial instruments: cash and investments in interest bearing securities. Changes in interest rates can affect the fair value of investments and the cash flows related to interest income.

4. Prepaid expenses

Prepaid expenses represent funds disbursed for projects approved in the current year or previous year. The execution of the projects has been deferred to a subsequent year by the recipients, with approval from the trust.

	<u>2022</u>	<u>2021</u>
2020-21-09 Dawson Fur Show (DDRC)	\$ -	\$ 11,000
2020-21-04 Culture/Subsistence Camp (ILC)	-	5,000

5. Investments

	<u>2022</u>	<u>2021</u>
Cash & Cash Equivalents and Canadian Fixed Income	\$ 1,249,159	\$ 1,805,687
Canadian Equities	1,746,909	1,519,010
US Equities	999,030	869,630
International Equities	676,929	836,882
Other Assets	535,000	-
Interest accrued	7,402	9,314
	<u>\$ 5,214,429</u>	<u>\$ 5,040,523</u>

The table above presents the fair market value of the Trust's investments as at March 31, 2022 together with the change in fair value from their cost base. The fair value of the investments were determined by reference to published price quotations in an active market provided by Fiduciary Trust Canada and RBC Investor Services. Recent events in the financial markets will have an effect on the fair value of the investments.

YUKON FISH AND WILDLIFE ENHANCEMENT TRUST
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2022

6. Contingent liabilities

On March 11, 2020, there was a global outbreak of a novel coronavirus known as COVID-19, which has had a significant impact on organizations through the restrictions put in place by the Canadian and U.S. governments regarding travel, business operations and isolation/quarantine orders. The extent of the impact the COVID-19 outbreak may have on the trust will depend on future developments that are highly uncertain, and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, the duration of the outbreak, including the length of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are, or may, be put in place by Canada, U.S. or other countries to fight the virus. The trust's activities have not been significantly impacted thus far; however, the trust continues to assess the impact COVID-19 will have on its operations.

7. Investment account activity

	<u>2022</u>	<u>2021</u>
Opening Balance at Cost	\$ 4,108,786	\$ 4,056,831
Income from Investment	329,439	324,333
Management and Custodian Fees	(44,267)	(41,409)
Fund Transfers	<u>(225,897)</u>	<u>(230,968)</u>
Closing Balance at Cost	4,168,061	4,108,787
Unrealized Gain	1,038,967	922,422
Accrued Interest	<u>7,401</u>	<u>9,314</u>
Fair Market Value	<u><u>\$ 5,214,429</u></u>	<u><u>\$ 5,040,523</u></u>

8. Surplus, other income

Surplus, other income is the accumulated increase (decrease) from cost to the fair market value of the investments. It represents the unrealized portion of the gain (loss) on investments.
